**ABSOLUTELY NO BID WILL BE ACCEPTED AFTER 1:59 P.M.**

**Minimum Qualifications:** The Contractor shall provide a **Georgia Utility Contractor’s License** number on the outside of all sealed envelopes/packages. The submittal of a utility Contractor’s license number held by a subcontractor commits the **PROPONENT/BIDDER** to utilize that subcontractor on this project. A utility Contractors license issued by another state does not fulfill this requirement in lieu of the Proponent’s Georgia Utility Contractor’s License. Failure to provide the BIDDER’s Georgia Utility Contractor’s License will result in rejection of the bid at the opening.

Bids will be publicly opened and read at 2:00 P.M., in Suite 1900, 1<sup>st</sup> Floor, City Hall South, and 55 Trinity Avenue, S.W., Atlanta, Georgia.

**Scope of Services:** This project involves upgrades to Lift Station No. 1 and Lift Station No. 2. There are secondary wet wells to be added to each lift station to allow for the by-pass of sewage during maintenance and repairs. Hoists will be installed at both locations to lift pumps when required for maintenance. Additional site lighting will be provided to allow for night work. A SCADA System will be installed to monitor, control and alarm the operating system from a central location. The system will connect to existing telephone alarm systems. Gravel access roads will be upgraded to concrete. Wastewater grinders will be installed at lines coming in to both locations to shred solid waste to manageable particle sizes.

Bids must be submitted on the forms provided in the bid document and shall be sealed in envelopes, clearly marked and labeled with the formal contract number FC-5046, and written on the outside of the sealed bid, the title of the project, full name and complete address of bidder and date and time bids are due. All bids must be hand delivered, mailed via United States Postal Service, or delivered by courier service. No facsimile(s) will be accepted.

All forms required by the **NOTICE OF REQUIRED SUBMITTALS** must be included in the bid. The bid shall contain the full name of each person, firm or corporation and the complete address. If applicable, the bid shall contain a bid bond acceptable to the City, or a certified check or cashier's check in an amount not less than five percent (5%) of the amount of bid.
